## **DATASHEET - S801+N37N3S**

Soft starter, 37 A, 200 - 600 V AC, Us= 24 V DC, Frame size N

S801+N37N3S Catalog No. 169852

Alternate Catalog S801PLUSN37N3S

Part no.

| 10.9.2 Power-frequency electric strength                 | Is the panel builder's responsibility.   |
| 10.9.3 Impulse withstand voltage                         | Is the panel builder's responsibility.   |
| 10.9.4 Testing of enclosures made of insulating material | Is the panel builder's responsibility.   |
| 10.10 Temperature rise                                   | The panel builder is responsible for the temperature rise calculation. Eaton will provide heat dissipation data for the devices. |
| 10.11 Short-circuit rating                               | Is the panel builder's responsibility. The specifications for the switchgear must be observed.                                   |
| 10.12 Electromagnetic compatibility                      | Is the panel builder's responsibility. The specifications for the switchgear must be observed.                                   |
| 10.13 Mechanical function                                | The device meets the requirements, provided the information in the instruction leaflet (IL) is observed.                         |

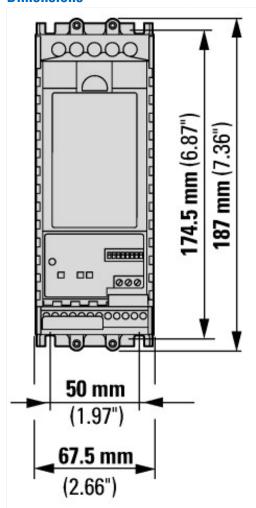

#### **Technical data ETIM 7.0**

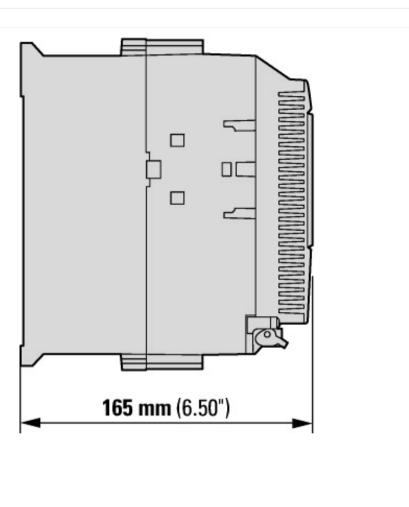

Low-voltage industrial components (EG000017) / Soft starter (EC000640) Electric engineering, automation, process control engineering / Low-voltage switch technology / Load breakout, motor breakout / Semiconductor motor controller or soft starter (ecl@ss10.0.1-27-37-09-07 [ACO300011]) Rated operation current le at 40 °C Tu Α 37 Rated operating voltage Ue ٧ 200 - 600 Rated power three-phase motor, inline, at 230 V kW 7.5 kW 18.5 Rated power three-phase motor, inline, at 400 V kW 18.5 Rated power three-phase motor, inside delta, at 230 V kW Rated power three-phase motor, inside delta, at 400  $\rm V$ 30 Function Single direction Internal bypass Yes With display No Torque control No Rated surrounding temperature without derating °C 50 ٧ Rated control supply voltage Us at AC 50HZ 0 - 0 ٧ Rated control supply voltage Us at AC 60HZ 0 - 0 Rated control supply voltage Us at DC 24 - 24 DC Voltage type for actuating Integrated motor overload protection Yes Release class Adjustable IP00 Degree of protection (IP) Degree of protection (NEMA) Other

#### **Approvals**

| Product Standards           | IEC/EN 60947-4-2; UL 508; CSA C22.2 No. 14; CE marking |
|-----------------------------|--|
| UL File No.                 | E202571  |
| UL Category Control No.     | NMFT   |
| CSA File No.                | LR 353   |
| CSA Class No.               | 3211-06, 2411-01                                       |
| North America Certification | UL listed, CSA certified                               |
| Suitable for                | Branch Circuits, not as BCPD                           |
| Max. Voltage Rating         | 600 Vac  |
| Degree of Protection        | IP20 with kit  |
