

Roller plunger for AT0 ...

Part no. **ZRS-AT0**
Catalog No. **031083**

Delivery program

Basic function			Operating heads
Part group reference			AT0
Product range			Roller plunger, centre fixing
Degree of Protection			IP65
For use with			Basic devices AT0

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	25
Operating ambient temperature max.		°C	70

Technical data ETIM 7.0

Sensors (EG000026) / Drive head for position switches/hinge switches (EC001483)			
Electric engineering, automation, process control engineering / Binary sensor technology, safety-related sensor technology / Position switch / Drive head for position switches (ecI@ss10.0.1-27-27-06-04 [BAA083012])			
Type of control element			Roller cam
